

AUCKLAND ROWING ASSOCIATION - RED LIGHT ROUND ROBIN - THE DRAW

Reminders

For an overview of how the competition works, go [HERE](#). Key reminders:

- The Competition Period for the Red Light Round Robin is 3 December 2021 to 27 January 2022.
- Coaches of the relevant crews organise amongst themselves when races will take place (it has been suggested that Saturday mornings could be a good race time, but this is up to coaches to determine). This can be at any time during the competition period. Once a race has successfully taken place, they can provide these results to the ARA who will keep a record of who raced and who won
- All races must be between 1500m and 2000m. If this is not possible, a best of 3 x 1000m will be accepted.
- Crew members can change between races - but of course need to match the classification of the particular event.
- You get one point for beating one other crew in your division. Multiple races can happen at one time.

Submitting Results: Please either email aucklandrowing.manager@gmail.com or log results directly into the results spreadsheet (a link will be circulated to the coaches who submitted entries). We are also keen to promote the competition on social media so please ensure you get some photos / videos if possible.

Prizes: The ARA will be providing prizes to the winning crew of each division. This will include pizza vouchers for the entire crew + coach.

Other: Remember, there are no requirements as to when races take place (provided it is within the competition period) and multiple races could happen on one day. Mercer RC has suggested that 11/12 December would be a good weekend for racing to take place at Mercer.

Reminder: Multiple races / 1 v 1s can also happen at one time. For example, as listed below the entire competition for the Mens Senior 4x- could take place at one time with NSRC1, WERC1 and WERC2 all racing each other. If this happens and (hypothetically) the placings for that race are: WERC2 - 1st; NSRC1 - 2nd; WERC1 - 3rd, then WERC2 gets 2 points (because they have beaten the two other crews - you get one point for beating one other crew); NSRC1 gets 1 point; and WERC1 gets no points.

Reminder: Coaches to ensure all races take place safely and that all applicable safety guidelines are followed.
